CASA ANGELINA TURNING ORPHANS INTO ROYALTY

What we will do on the trip?

Casa Angelina is where we will be spending our weekdays. It is largely developed by physical labor of visiting teams. We may do all sorts of projects from diffing the foundation, laying each brick, and welding the frames to the interior painting, decorating and carpentry.

Our weekend and evenings will be spent exploring the city of Antigua and also involve some outreach ministry to the locals by sharing the Gospel. Come and enjoy yourself while leaving your mark and making a difference for all of these children. Not only will you further increase the quality of their lives, but you will also enable them to rescue more kids.

Your week will be filled with wonderful children, live performances, great food, significant work, and special memories made for you and your whole family. Make the most of this year by planning to come on this team trip!

Who can come?

Anyone who is 12 years of age or older and has a heart for Jesus is welcome. All minors must be occupied by a guardian. We encourage families to come together and experience the uniqueness and love at Casa Angelina. The orphanage is its own life-changing experience and sharing the Gospel to native Guatemalans in Antigua is very rewarding.

We Believe

We are committed to pray for all people and nations and to go where ever the Lord leads us to go.

The world needs us and with God's assistance we are willing and will go.

We will follow the Holy Spirit and believe in His transforming power.
